for Sale to Volterra

48 square meters | : 1 | : 1 | : 3

Here is your investment in Volterra, a city with 3000 years of history, from the Etruscans to the world famous today.

I'm talking about an apartment in the historic center, a stone's throw from Piazza dei Priori, on the second floor of a small condominium, recently and tastefully renovated ... Your "Love Nest" when you want to leave the hustle and bustle of the metropolis and of your foreign customers when you put it on income with weekly rentals, a growing business around here, easy right? ... we are in TUSCANY, one of the best dreams !!

An investment that is easy to manage because of its small size, but made the most of it !! An open plan apartment / studio, modern, practical, with kitchen area dining / relaxation area and bathroom on one side and bedroom with walk-in wardrobe on the other, divided by "folding" doors to create two independent spaces as needed. The attention to detail, solid parquet, stone in the bathroom, Travertine and chestnut wood, in the style of the Garden House, gives the apartment a "warm" atmosphere making it pleasant to live in. The systems are all new and certified, natural gas heating, direct water "of the mayor" and an additional water tanks with autoclave.

If you decide to take it, once outside the notary, you just have to turn the key and enjoy it right away ... FURNISHINGS ARE INCLUDED IN THE REQUEST !!!!!!!

Call me at 3421248043 and we organize a visit, I wait for you, don't miss it !!!
