for Sale to Volterra
: S.giusto

90 square meters | : 1 | : 2 | : 5

A small real estate investment in **Volterra** has always been a guarantee... in the S. Giusto, Borghi area, a quite neighborhood where residents are locals, convenient to the historic center, services, and schools, we offer an excellent **apartment with a terrace** in an old stone building.

This is a functional **apartment** of approximately 90 square meters, well-exposed and bright. The building is in good condition and well-maintained throughout its common areas.
The apartment is located on the second and top floor, free on three sides... a shared stairwell leads to the floor: a few steps from the entrance, you'll find the open-plan eat-in kitchen with a terrace facing west, a bathroom, and a bedroom; on the east side are the living room and another bedroom, while on the side opposite the entrance is a convenient storage room. The apartment is in good condition!

In short, an excellent **investment** in one of the most convenient residential areas of Volterra, with a supermarket, butcher, bakery, laundry, free parking spaces, and other convenient amenities just steps away. Ready for you to live in or immediately generate income without the need for major renovations.
